**Investment Information**

The information below is provided to help you compare the Investment Choices under your Plan. If you want additional information about your Investment Choices, including principal risks, current investment performance and a glossary of terms, you may go to: [transamerica.com/portal/home](http://transamerica.com/portal/home) or call 1-800-401-8726.

**Table 1** below focuses on Investment Choices that do not have a fixed or stated rate of return, and shows fee and expense information, as well as investment performance for each choice and an appropriate benchmark performance (shown in *italics*). Past performance does not guarantee how the Investment Choice will perform in the future. Your investment in these choices could lose money.

Total Annual Operating Expenses reduce the rate of return of each Investment Choice. Fund specific operating expense details are available at [transamerica.com/portal/home](http://transamerica.com/portal/home).

The cumulative effect of fees and expenses can substantially reduce the growth of your retirement savings. Visit the Department of Labor's website for an example showing the long-term effect of fees and expenses at [http://www.dol.gov/ebsa/publications/401k\\_employee.html](http://www.dol.gov/ebsa/publications/401k_employee.html).

Fees and expenses are only one of many factors to consider when you decide to invest. You may also want to think about whether investing in a particular Investment Choice will help you achieve your financial goals.

These charges may be used to subsidize costs for plan-related recordkeeping, administration, payment to financial advisors, and other retirement plan services that would otherwise be charged separately.

The annual CAC percentage is assessed on a Monthly basis. As of July 15, 2021, the annual CAC percentage was 0.23% based on the total assets in the Plan as of the date shown above. As the value of the assets in the Plan change, the CAC may decrease or increase on a Monthly basis according to the rate schedule in the Contract anywhere between 0.23% - 2.22%. For specific information, please contact your Plan Administrator.

**Surrender Charges:** Depending on the specific underwriting of the Contract, upon total or partial discontinuance of the Contract, an asset-based surrender/discontinuance charge may apply for a limited number of deposit years. Please contact the Participant Call Center at 1-800-401-8726 for specific details.
