

CorTech, LLC dba JobsRUs.com is excited to announce the Elysian health management plan!

To provide the best possible health options, reduce healthcare costs, and identify medical issues early, eligible employees may enroll in the Elysian health management plan.

The Elysian Health Management Program Includes:

- ✓ 24/7 unlimited access to a national network of licensed doctors via phone or video chat for the members **and** their family with a \$0 Copay.
- ✓ An Indemnity Health Policy to help with out-of-pocket hospital expenses.
- ✓ Access to screenings, health coaching, and activity tracking.

How the Program Works:

- ✓ Elysian Healthcare provides a tax advantage benefit where employees may see an increase to their take home pay due to tax savings. See example below.
- ✓ Enrolled employees will have a **pre-tax deduction** and a **post-tax claim payment** within the same check. Employees will receive a claim payment for participation in the plan. The post-tax claim payment offsets the pretax premium deduction, often resulting in **increased take home pay!**

Enrollment:

- ✓ Eligible employees are enrolled in Elysian Healthcare without reducing take home pay.
- ✓ For details regarding eligibility or program questions, contact Elysian Healthcare at (800) 214-6484.
- ✓ Benefits Guides are available for you containing complete program details.
